

CLASS DESCRIPTIONS

SPRING 2012 SESSION

***** MONDAYS *****

Basketball 4th & 5th

Marc Gerber - Fee: \$85

Gymnasium & All Purpose - 2:45-3:45pm - Max Class Size 25

Marc Gerber and his team never disappoint so get ready to have great time. Learn and improve the basic elements of ball handling, dribbling, and shooting through a variety of drills, exercises and game play. Sneakers and labeled water bottles are a must!

Glee! (NEW CLASS)

NASSE - Fee: \$100

Band Room - 3:00-4:00pm - Max Class Size 14

Come join the musical experience of the "Greenvale Glee" club. Students will learn choral arrangements of contemporary songs the kids love. Emphasis will be placed on basic components including melody, tempo, harmony and musical articulation. The club will end with an exciting performance for parents.

Furious Fly Club (NEW CLASS)

Hobby Quest - Fee: \$120

Library - 2:45-3:45pm - Max Class Size 15

Come build and pilot your own aircrafts! Students will build, fly and keep their very own airplanes like the light and versatile DRAGONFLY, the launched out of a sling-shot AERO QUEST, the first all wooden ANGEL VI, the resilient all-weather MAGNUM, and last the FUGA which borrows structural design from real jet fighter and takes off using a high speed launcher. You will learn to read plans, work with rulers, and make necessary calculations and to distinguish between different hobby tools. Through this course, you will learn about the elementary history, physics and properties of flight. Each class will conclude outdoors where gliders are set in motion and models are flown.

Dazzlin' Designs (NEW CLASS)

Barbara Borkin - Fee: \$100

Classroom - 3:00-4:00pm - Class Size 12

The beautiful art of Iris Paper Folding is now at Greenvale! This creative technique, which originated in Holland, is easy to learn and fun to do. Students will use metallic, holographic and colored paper in various patterns and tones to make stunning, unique works of art. Projects will include greeting cards, postcards and framed art. This is not an origami class. This class will teach you how to paint with strips of paper instead of a paintbrush.

Mad Science-Phreaky Physics (NEW SEGMENT)

Mad Science of Westchester - Fee: \$120

Cafeteria - 2:45-3:45pm - Class Size 13

Become a junior energy engineer in this "forceful" club that delves into gravity, simple machines, energy and more. Through experimentation students will explore the magic of magnets, learn how to harness heat, uncover the hidden components of white light and the science behind air as they levitate ping-pong balls!!

CLASS DESCRIPTIONS
