

EASTCHESTER UNION FREE SCHOOL DISTRICT

GREENVALE ELEMENTARY SCHOOL

Theresa Sullivan, Principal

September, 2009

Dear Parents,

At Greenvale, we offer a peanut free table where students can enjoy their lunch without the concern of an allergic reaction. Students may ask a friend to join them as long as nuts or nut products are not a part of their lunch. A monitor is stationed at that table to oversee the lunches and to ensure a safe environment. In order for any allergic child to remain at his/her regular table, a doctor's note **MUST** be received, providing us with medical clearance. Below is a form for you and your child's doctor to sign if you prefer that your child be seated at his/her regular table during the 2009-2010 school year. Any other signed note from you and your doctor is also acceptable.

Sincerely,

Nina Feiman, R.N.

-----  
I give medical clearance for the following child to sit at a regular lunch table.

Child's name -----

Parent's signature-----

Doctor's signature-----
